

# ***INTO THE LIGHT***

## **Mass for Suicide Victims and Survivors**

4pm Saturday, June 27 2015

St. Anthony Shrine Second Floor Church

100 Arch Street, Boston, MA 02110

*“I am the light of the world. Whoever follows me will never walk in darkness, but will have the Light of Life.” --John 8:12*

Please join the St. Anthony Shrine & Ministry Center worshipping community at a special Mass for suicide victims and survivors.

Have the opportunity to toll one of our beautiful “Bells of Consolation” in honor of your Loved One.

### **Reception**

Join us for a Reception in the Shrine Auditorium immediately following the Mass.

All are welcome, no matter what religion.

Together... we begin to move out of the darkness and into the radiant and brilliant light of God’s love for us —and for our beloved Loved Ones lost by suicide.
