

ST. ANTHONY SHRINE
Volunteer Application

St. Anthony's Shrine & Ministry Center, "The Church on Arch Street," was founded in 1947 and is a center for Roman Catholic Ministry in Boston, Massachusetts directed by the Franciscan Friars of Holy Name Province.

Inspired by the enduring legacy of St. Francis of Assisi, the friars and the lay people of the Shrine strive to share the Gospel of Jesus Christ with all people. We serve as instruments of God's healing through daily celebrations of the Eucharist and the sacrament of reconciliation. In our preaching, prayers, adult formation, and spiritual counseling, we foster Christian discipleship "in the marketplace" by reaching out and welcoming people to deepen their relationship with God and with one another.

Today at the Shrine, there are more 20 Programs and Ministries that serve the needs of our worshippers and surrounding communities. Our Volunteers are a crucial part of the Shrine and contribute throughout our Ministries to help us live the mission of the Shrine. We strive to make the Volunteer environment and community at St. Anthony's Shrine a vibrant and fulfilling opportunity for each of our Volunteers.

We welcome the opportunity to meet with you and talk about volunteer opportunities. The following process is in place to help us get to know our Volunteers and match potential Volunteers with Ministries:

- 1) Each Volunteer candidate completes a Volunteer Application, including emergency contact information, a signed Confidentiality statement, and a written consent to complete a CORI check (Criminal Offender Record Information) if necessary.
- 2) The Director of Volunteers for St. Anthony's Shrine interviews all Volunteer Candidates.
- 3) Review of the Volunteer Packet is completed, including the CORI process if necessary.
- 4) The Volunteer is matched to a Ministry or Ministries.
- 5) Once all of the paperwork is complete, the Director or the Volunteer Coordinators for the chosen Ministry will reach out to the new Volunteer to map out a schedule and conduct any training or orientation.
- 6) Volunteer service begins.

This process takes about one month to complete -- while the paperwork is being completed, you are welcome to keep in touch with Julie Ogden on any questions.
